WELCOME MESSAGE

Welcome to YouSmart!

As the CEO, it is my pleasure to welcome you to our official website. At YouSmart, we are committed to delivering the latest innovations and advanced technologies to make your homes smarter and more comfortable.

Our goal is to enhance your quality of life by providing smart home solutions that are easy and efficient. Our team of experts works diligently to meet your needs and exceed your expectations. We believe that technology can make life better, and we strive to achieve that in everything we offer.

Thank you for your trust in us, and we look forward to building a smarter future with you.

Best regards

MUHAMMAD NISAM
CEO YOUSMART

ABOUT US

You Smart is a leading company in the market that offers home automation, smart security, high-speed internet solutions, local cloud storage, and energy management. Our modern technologies save your time and money, ultimately simplifying your life. With our expertise in smart technology, we strive to provide the most accurate services to our clients.

VISION & MISSION

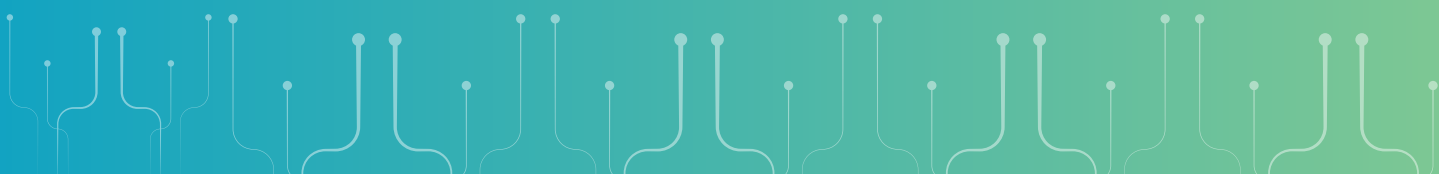

VISION

To be the global leader in ELV and smart home solutions, empowering individuals and businesses with innovative technology that enhances their everyday lives, ensuring convenience, security, and sustainability in a connected world.

MISSION

We work on adding the smart technology systems in our businesses and daily lives.

OUR TEAM

The effort and hard work of our team is what makes us one of the leading companies in the market.

COMPANY VALUES

Integrity

We believe in the importance of integrity in everything we do, and we always strive to operate with the highest standards of ethics and honesty

Team Work

At "yousmart" we believe that teamwork is the cornerstone of success. We see collaboration among team members as a way to enhance our ability to innovate and create a supportive and motivating work environment. We are committed to building cohesive teams where each member contributes their expertise and skills to achieve common goals. By working with a team spirit, we can deliver the best solutions to our clients and excel in everything we do

Honesty

At "yousmart" we consider honesty to be the foundation of all our dealings. We ensure that all our relationships are built on clarity and transparency, whether with our clients, employees, or partners. We are committed to providing information with complete transparency and view honesty as an essential element for building and maintaining trust. Through honesty, we establish strong and lasting relationships that enhance our credibility and drive us toward success.

CLIENTS FEEDBACK

[saeed](#)

ما شا الله على الخدمة الطيبة وسرعة الانجاز
والتعامل السهل
نشكركم على خدماتكم الطيبة

[Hanadi Eid](#)

The best Home communications system provider, my solution was implemented six years ago and they are still providing me with all the support I need. Today I had additional CCTV cameras installed, and the job was done in two days only.

[Amin](#)

من أفضل الشركات حرفية ومصداقية في
هذا المجال .. شغلهم نظيف و دقة في
مواعيد العمل ... الله يوفقكم دائماً وابداً
يارب

[mansoor](#)

شركة ممتازة جداً. تعاملهم طيب شغلهم
فيه ميه ما قصرو في كل شي. جودة الاجهزه
ممتازة جداً. الكاميرات واضحه وما تعلق
الاكسس بوينت ممتاز. شكرا لكم

[Dhahi](#)

خدمة مميزة جداً.
جوده عالية للمنتج
الاسعار جدا مناسبة الخدمات المطروحة
يعتمد عليه في المستقبل.

[Fahad](#)

Best service ever with
good quality in the
market

[Bu Hassan](#)

Best company, nice price,
best quality, on time
always and professional
services.

[Omar](#)

Great And professional services.
.Work finish on time
Great and clear communication
.to customer
.Reasonable cost
(: Will do business again

[saeed](#)

Very professional and
good service for smart
homes

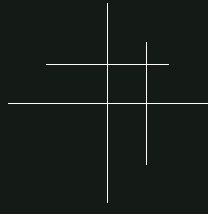

[Ammar](#)

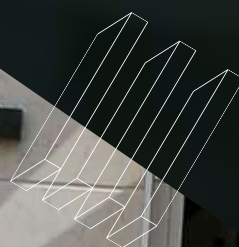

كانت الشركة جدا متعاونة
بشكل ايجابي من حيث سرعة
ضبط الجهاز وتغيير الكاميرات
المتعطلة

A BRIEF HISTORY

We have been working in the field of smart systems, surveillance systems, and ELV solutions since 2015, which means we possess extensive experience in the industry

2015

OUR BUILDINGS GALLERY

OUR BUILDINGS GALLERY

HOMES

You Smart offer a complete, customizable platform to help you build and launch your smart home solution. Our solutions deliver high-added-value services to your customers and help you to access new business opportunities

BUILDINGS

Interoperability is the ability of systems to communicate with each other in a building. Therefore, the subsystems have a protocol that enables them to communicate with each other, for the purpose of monitoring & controlling.

SHOPS

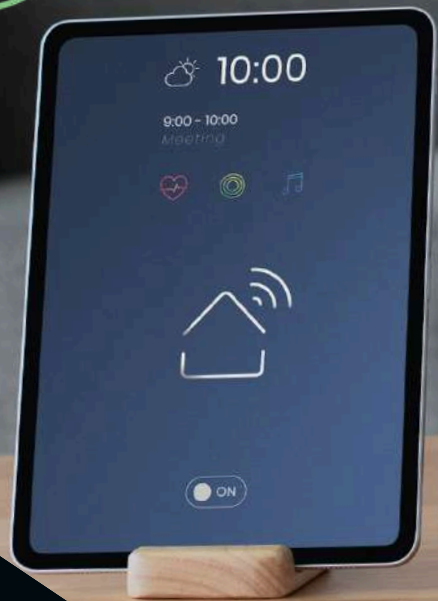

You can make your Shop a little more livable and security and a lot more automated by adding appliances and devices you can control from anywhere.
